Description

Murano glass picture frame, with the "Barovier & Toso" mark on the support rod. Handcrafted and featuring a distinctive spiral pattern that covers the entire surface of the glass. It has a brass frame with a backing support. The frame measures 34 × 28 × 2.8 cm. The piece is in excellent condition. To improve the quality of the photographs, the glass from the frame has been temporarily removed; the first photograph shows the complete piece with the glass in place.
