

Carved Wooden Mirror With Cherubs

1 500 EUR

Period : 20th century

Condition : Bon état

Material : Solid wood

Length : 92

Height : 140

Description

This antique carved mirror in the Baroque or Neo-Renaissance style, adorned with cherubs and rich acanthus leaf motifs. Frame: Hand-carved wood, combining gilded finishes with dark, weathered wood tones. Decoration: Relief carvings depicting cherubs at the top and bottom, surrounded by leafy volutes. Style: Inspired by mirrors found in European manors or castles (traditionally of Italian or Flemish influence). 20th century, 1930s-1940s.
