Description

Gilded iron wall sconce - Louis XVI style
Elegant wall sconce in finely crafted, gilded iron, reminiscent of the Louis XVI style. The decorative motif features a refined interweaving of ribbons, lanceolate leaves, and floral details, typical of the Neoclassical style. Featuring two light arms with cups and fabric-covered lampshades, this wall sconce combines ornate refinement with harmonious proportions. Ideal for classic settings, historic homes, or prestigious interiors, it serves as a decorative element of great charm and character.
