NOTE: All our watches are inspected by our watchmakers and refurbished to give them a second life and restore them to the best possible condition. However, these watches are pre-owned and may show some scratches or signs of wear. In addition, when necessary, the dials are restored by a master craftsman. It is also possible that the dials have been replaced in the past with service dials as part of the refurbishment process for our watches. Since our timepieces are pre-owned, no water resistance warranty is provided.
