It is essential to always screw the crown tightly against the case to protect the watch from splashes. Any use of our photos for commercial or promotional purposes is strictly prohibited and subject to legal action. NOTE: All our watches are inspected by our watchmakers and reconditioned to give them a second life and restore them to the best possible condition.

However, these watches are pre-owned and may show some scratches or signs of wear. In addition, when necessary, the dials are restored by a master craftsman. It is also possible that the dials have been replaced in the past with service dials as part of the refurbishment process for our watches. Since our timepieces are pre-owned, no water resistance warranty is provided. We are, of course, always available to provide you with the best possible information regarding the condition of these watches. RETURN POLICY: Due to numerous instances of abuse, we wish to clarify that returns are accepted within 14 days only if the item is returned in the same condition in which it was sold. The return is void and therefore not accepted once the watch has been worn and damaged in any way (impact, broken or missing crystal, missing screws or any other parts, damage caused by water, rust, etc.). We remind you that you are purchasing a high-end watch; please take the utmost care of it. City watches (such as Cartier models in vermeil or gold) are precious timepieces that are not designed for sports, swimming, washing, or any high-risk activities. Ref_1198
