Description

A magnificent and spectacular "Dama" ottoman, designed by the renowned Italian designer Enzo Mari for Arte & Cuoio, an Italian company renowned for its artisanal leatherwork. This piece stands out for its perfectly executed geometry and its remarkable upholstery, consisting of thin strips of leather interwoven by hand and dyed with natural pigments to form an elegant woven pattern across the entire structure. The leatherwork, both graphic and tactile, gives the pouf a particularly sophisticated presence. Its generous dimensions of 100 × 100 cm make it a true piece of furniture, suitable for use as a seat, footrest, or centerpiece ottoman. A beautiful example of contemporary Italian design, combining Enzo Mari's formal rigor with the artisanal craftsmanship of Arte &
