Christofle Vegetable Dish, Malmaison Model

650 EUR

Period : 20th century

Condition : Très bon état

Description

Superb silver-plated vegetable tureen by Christofle, in the "Malmaison" pattern.Inspired by the Empire style, it features finely chased ornamentation of water leaves and palmettes, elegant side handles, and a lid topped with a beautiful finial in the shape of a pinecone.A refined and timeless piece of silversmithing--emblematic of the craftsmanship of the House of Christofle--perfect for an elegant dining table.
