

19th-century Period Empire-style Walnut Chest Of Drawers With Separate Columns

800 EUR

Period : 19th century

Condition : Bon état

Material : Wallnut

Description

Empire-style chest of drawers with freestanding columns in walnut - 19th century Beautiful 19th-century Empire-style chest of drawers in walnut, with a straight front, featuring three large drawers and a top drawer that wraps around the front. It is framed by two freestanding columns, adorned with bronze rings. The front features elegant bronze trim, including handles, lock plates, and decorative sconces. It is topped by a beautiful, thick slab of light-colored marble with pronounced veining in shades of pink, gray, and orange, making it particularly decorative. The sides are paneled, and the piece rests on straight legs. It features a beautiful antique patina on the walnut. Period: 19th century - Empire Materials: walnut, bronze, and marble Dimensions: Height:

95 cm Width: 125 cm Depth: 62.5 cm
