Description

Interesting oil painting on panel by the Italian painter Tito Pellicciotti (1871-1950), depicting a shoemaker at work in his workshop. This scene of everyday popular life is rendered with great attention to detail: the craftsman's worn clothing, the shoes, the tools scattered across the floor and the numerous objects arranged on the table all contribute to creating a lively interior rich in atmosphere. The figure of the shoemaker is particularly well executed, captured in a moment of concentration while at work, reflecting the genre painting and scenes of popular life that form a characteristic part of Pellicciotti's work. Signed lower left "T. Pellicciotti". The painting is presented in a gilt frame, as shown in the photographs. Painting dimensions: 23.5 × 31 cm Dimensions including frame: 45 × 53 cm Good
