

Late 19th Century Lantern Chandelier

1 200 EUR

Period : 19th century

Condition : Bon état

Material : Bronze

Diameter : 36

Height : 117

Description

Elegant three-light pine cone chandelier. The chandelier features a gilded bronze base, chains, and trim, with garlands and festoons adding further refinement. The pine cone-shaped body is made of frosted glass, with geometric patterns on the body. This chandelier exudes great taste and elegance, capable of furnishing any space with class. French manufacture from the late 19th century. Dimensions: H x DM 117 x 36cm
