

Large Medici "st. Empire" Vase In Blue De Sèvres And Patinated Bronze

450 EUR

Period : 20th century

Condition : Très bon état

Diameter : 19cm

Height : 60cm

Description

Large decorative Medici vase, with lid, in the Neoclassical/Empire style, featuring a cobalt-blue ceramic body (Sèvres blue style) and rich hand-applied antique-patina bronze trim. Upper section: Lid topped with a pull tab, gadroons, and a sculpted frieze depicting dancing figures/nymphs in the classical style surrounded by plant motifs. Two decorated side handles. Pedestal / Base: Square blue porcelain pedestal adorned with gilded bronze appliqués depicting a lyre surrounded by palm leaves on one side and a laurel wreath with ribbons on the other. Base: Square base with moldings and friezes featuring acanthus leaves and floral motifs. In perfect condition 20th-century
