

Polychrome Walnut Religious Sculpture--female Figure, Likely The Virgin Mary--54 Cm

450 EUR

Period : 18th century

Condition : Bon état

Material : Solid wood

Height : 54 cm

Description

A walnut wood sculpture depicting a veiled female figure, likely the Virgin Mary. The contemplative face, wavy locks of hair, and the cloak with its flowing folds lend the piece an expressive quality, featuring Baroque stylistic elements. The work retains traces of its original polychromy, notably in shades of red, blue, and green. The flat back features several mounting holes, suggesting that it was once part of an altarpiece or religious ensemble. Height: 54 cm. Condition: surface wear, loss of polychromy, cracks, small areas of loss, and holes that may result from past insect damage, visible in the photographs. Date: 17th-18th century
