

India. 18th-century Solid Silver Case.

470 EUR

Period : 18th century

Condition : Très bon état

Width : 7 cm

Height : 10 cm

Description

Here I present a superb solid silver case featuring repoussé decorations of Indian deities. The relief work and details are exceptionally intricate and exquisitely executed. This case is reminiscent of the Hindu "trichonopoly" style. This is a very rare and sought-after technique. Weight: 106 grams. For the most discerning collectors...
