

Set Of Five Decorative Objects Made Of Marble And Semi-precious Stones

1 900 EUR

Period : 19th century

Condition : Bon état

Material : Marble

Description

A beautiful set of five decorative objects crafted from various marbles and semi-precious stones: candlesticks, a lidded jar, a bowl, and architecturally shaped pieces. Beautiful contrasts of red, brown, green, and black marbles, creating a particularly decorative ensemble. Provenance: Djahanguir Riahi collection, Sotheby's auction in the 2000s. Heights range from 12 to 24 cm. A few chips and minor imperfections on some pieces, visible in the photographs. A particularly elegant set, ideal for a library, a console table, or a classically inspired interior.
