Description

An elegant liqueur set made of cut and double-colored crystal, consisting of a decanter with a stopper and six matching stemmed glasses. The decanter features an elegant, slender silhouette, with an ovoid body adorned with broad vertical cuts and accented with cobalt blue-lined crystal. The six glasses rest on long faceted stems and circular bases. Their bowls are decorated with a cut that highlights the contrast between the clear crystal and the various colors. In very good condition. Dimensions: Height of the decanter with stopper: 32.5 cm Height of the glasses: 12.5 cm
