1 200 EUR

Period : 19th century

Condition : Très bon état

Description

A charming and precious 18-karat gold sewing kit preserved in its original bone case, specially designed to fit the shape of each accessory. The set is complete and includes: -a pair of scissors -an awl -a threader -a needle case -a thimble. All the pieces are original and feature the same decorative design. Each accessory bears the French hallmark featuring an eagle's head, certifying that it is 18-karat gold. The gross weight of the items without the case is 16.9 grams. Length of the case: 4,01 inches. A delicate sewing kit that is both a practical item and a symbol of refinement, characteristic of high-quality goldsmithing from the mid-19th century. France, circa 1850.
