

18th-century French Chest Of Drawers, Louis XV Style

16 000 EUR

Period : 18th century

Condition : Très bon état

Material : Walnut

Description

18th-century French chest of drawers, Louis XV style, circa 1740-1760. Crafted from solid walnut and richly carved, it features its original, finely chased bronze fittings. It has a curved front and arched legs. A high-quality piece worthy of a museum, combining balanced elegance with excellent craftsmanship.
