### Description

Oil on canvas, 55 cm x 46 cm, sold with its wooden frame (66 cm x 55 cm); signed lower left by Henri D'Anty (1910-1998), a well-known painter whose works are featured in several museums. A particularly expressive work, in which the artist favors a generous application of paint and a free brushstroke, blending Fauvism and Expressionism. The impasto and contrasts give this snowy landscape remarkable presence and depth, while retaining the poetry characteristic of d'Anty's world. Very good condition. Sold with an invoice-certificate. Fast and careful shipping.
