Description

Pair of bronze candlesticks featuring Asian dragons - H. 60 cm Spectacular pair of large bronze candlesticks decorated with dragons, in the Far Eastern style. Each candlestick depicts an imposing dragon with a sinuous body, standing on a richly decorated pedestal composed of several elements adorned with stylized motifs, foliage, and Asian-inspired designs. The dragons are particularly intricately crafted: finely chiseled scales, open mouths, long whiskers, manes, and claws. Their slender bodies extend upward to support a wide candle holder designed to hold a candle. Beautiful subtly nuanced dark brown patina, with traces of wear and age that enhance the decorative character of the set. A highly original and spectacular pair, ideal for Asian-inspired decor or to complement a
