

Managed Mask, Ivory Coast

1 200 EUR

Period : 20th century

Condition : Etat d'usage

Description

Large, beautiful Géré mask; these masks feature characteristic expressionist traits--a rounded forehead, large eyes, and a large, flat nose--and stick out their tongue.... They danced only once a year for joyful ceremonies; the dancer would tap the audience with his broom amid general enthusiasm. Total height 35 cm, circa 1930, stains, tears, wear...
