

Offo Ritual Object Of The Igbo People In Nigeria

1 400 EUR

Period : 20th century

Condition : Etat d'usage

Description

Igbo fetish made of metal blades that have been bent and then attached to a wooden core. Some of these works are fairly simple; this one is particularly well-crafted and has an undeniable artistic quality-- it was made by a skilled artisan. It is primitive art with a very modern style. Total height 57 cm, 49 cm without the base. A similar piece in an auction in Luxembourg => IFO
