Description

Four "Laurianetta" armchairs designed by Afra and Tobia Scarpa and produced by B&B Italia in the 1980s. The frame is made of steel tubing encased in polyurethane, while the cognac-colored leather upholstery lends a timeless elegance, ideal for sophisticated settings. This set of four armchairs combines functionality and design, representing a perfect example of 20th-century Italian design. Perfect for enhancing living rooms, studies, or lounge areas with a touch of class. MOSEPO0328301
