Description

Pair of Hollywood Regency-style marble side tables by Maison Jansen. Marble tables with organic white and gray veining, featuring gilded copper vase-shaped legs and a marble base, creating a glamorous aesthetic. The lighter table features high-contrast gray veins against a white background, with a matching white marble base, while the darker table showcases fine white veins against a dark charcoal/black background, with a matching black base. The lighter table retains an elegant decorative ring handle harmoniously integrated into the center of the tabletop, while the darker table features a matching flush-mounted metal center disc. In good vintage condition; the corners of the white base have been restored by our workshop. White table: 40 cm in diameter, 45.5 cm tall. Gray table: 40.5 cm in
