

Antique, Beautiful Wall Plaque Made Of Wedgwood-style Bisque Porcelain, Depicting A Romantic Se

130 EUR

Period : 19th century

Condition : Parfait état

Material : Biscuit

Description

This beautiful bisque porcelain plate, depicting a romantic scene of a young boatman (or fisherman) being kissed by a young woman near a rowboat, is in perfect condition. The entire piece is beautifully framed by a large high-relief border featuring a motif of rose garlands. It includes a hanging loop for wall mounting. Dimensions: 19.5 x 16 cm. Shipped with an invoice--fast, careful, and very secure. Buy with confidence: find our customer reviews by searching for "Antiquités Déquier" on Google.
