An elegant, large portrait of a young man--a dandy--with his legs crossed and holding a cigarette; the work is signed by Gabriel Hervé (BONNES 1868 PARIS 1942) and dated 1907. Large format, very decorative, in its original varnish, which has faded slightly; we can apply a new varnish in our studio upon request, based on a quote. There is a small hole in the lower left corner. The work is presented in a gilded baguette frame.
