Description

A pair of carved wooden fruit clusters in high relief, polychrome and gilded in the Louis XIV style, 18th-century, mounted as lamps on black-painted iron bases. These timeless lamps will fit equally well in both classic and more contemporary interiors--on a dresser, at the end of a sofa, or as bedside lamps. They feature square lampshades made of black fabric with a gold lining, casting a warm glow. Good condition, We ship worldwide; please contact us for an accurate shipping quote.
