

Baroque Chest Of Drawers From 1750

8 500 EUR

Period : 18th century

Condition : Restauré par notre atelier

Material : Walnut

Width : 102cm

Height : 83cm

Depth : 54cm

Description

A very rare Baroque chest of drawers dating from around 1750, made of walnut veneer, with three drawers and a curved front. The drawers feature floral marquetry (very beautiful and rare!). Original hardware, locks, and keys. Restored and finished with a matte buffed varnish.
