

18th-century Gilded Wooden Mirror In The Berain Style

840 EUR

Period : 18th century

Condition : Bon état

Material : Gilted wood

Width : 40

Height : 51

Description

Gilded wooden mirror carved from linden wood. Mounted on a wooden frame joined with half-lap joints. Its frame is commonly referred to as a "Bérain-style" frame, and its mercury mirror is original. This is clearly visible on the back, where there is a slit in the assembly of the backing boards, with oxidation corresponding to this slit. This is an important observation confirming that the mirror has never been replaced. Provence, 18th century.
