Description

Beautiful and refined Venetian chest of drawers, characterized by a wavy front veneered in walnut briar and maple briar. It has a linear shelf base which gives the furniture great stability. This chest of drawers is also extremely practical and ergonomic, thanks to the presence of three large drawers that allow you to easily organize the objects inside them. The hinges and handles in lost wax cast bronze, then gilded, give a touch of elegance and preciousness to the piece of furniture. The Venetian craftsmanship of this chest of drawers can be attributed to the first half of the 18th century, around 1740. The perfect elegance of this piece of furniture makes it an excellent addition to enrich and give a touch of refinement to any environment. Measurements: H
