

Bibus Or Louis XVI-style Display Cabinet

750 EUR

Period : 20th century

Condition : Très bon état

Material : Mahogany

Length : 62

Height : 98.5

Depth : 27

Description

A mahogany Louis XVI-style display cabinet or "bibus," featuring two glass doors and a lock with a key that is in working order. The white marble top is surrounded by an openwork brass railing. The front posts are rounded and fluted; the rear posts are fluted. The sides are decorated with brass moldings. The four sheathed legs end in a shoe. The three shelves, each 20 cm deep, rest on spandrels and rack-and-pinion supports.
