

Lacquered Tortoiseshell Message Case.

280 EUR

Period : 19th century

Condition : Bon état

Material : Vermeil

Diameter : 23 mm

Height : 125 mm

Description

A very beautiful lacquered tortoiseshell case with silver foliate inlays. The lacquer is cracked--is this original, or is it due to age? The two connecting rings are likely made of vermeil. In very good condition.
