

Certified 5.09 Ct Morganite And Diamond Ring, 18-k Rose Gold

13 500 EUR

Period : 20th century

Condition : Parfait état

Material : Gold

Diameter : 55

Description

Ring in 18-karat rose gold featuring a 5.09-carat certified morganite at its center, accompanied by diamonds. The morganite is accentuated by 1.17 carats of pear-shaped diamonds and 0.62 carats of brilliant-cut diamonds. A beautiful combination of the morganite's soft hue, the sparkle of the diamonds, and the rose gold. Gold weight: 10.60 g. Total weight of the ring: 11.97 g.
