Description

Jef FRIBOULET (1919-2003) - The Norman Gleaners (or Working the Land) A beautiful oil on panel (or paper mounted on panel) signed in the lower right corner by the internationally renowned Norman painter, Jef Friboulet. The work depicts two figures bent over, working the soil in a field, rendered in the painter's characteristic Expressionist style: vigorous brushstrokes, dark outlines structuring the composition, and a palette of warm, earthy tones (ochre, sienna, and intense shadows). A humanistic and poignant composition celebrating the work of farmers.
