Description

Pierre BOUDET (1915-2011) - Boats on the Beach at Tossa de Mar (or the Mediterranean Coast) - Oil on canvas
Pierre BOUDET (1915-2011) 20th-Century French School / School of Paris
A superb oil on canvas depicting a sun-drenched seaside scene on the Mediterranean coast. The painting features two traditional fishing boats beached in the foreground on the sand, in front of a beach bustling with swimmers, with a rocky outcrop topped by a medieval tower in the background (evoking the town of Tossa de Mar or the Catalan/Mediterranean coasts he loved). Here, the artist displays his luminous, Impressionist style, executed with great mastery of the medium and contrasts of light.
