

2 Salt Shakers, Crystal Vinaigrette Bottles With Silver Fittings

130 EUR

Period : 19th century

Condition : Bon état

Material : Crystal

Height : 105 mm

Description

2 salt shakers made of cut and faceted crystal, with silver mounts on each neck and base. They are in good condition but are missing their stoppers; there are a few small chips on the diamond points of the pear-shaped bottle and one chip on the base of the other, which is not immediately visible because it is hidden by the silver base.
