Description

HERMÈS, Paris, Made in France, VERROU clutch in black box calf leather with three compartments and three interior pockets. Click, clack, clack! That's the sound of the Verrou bag's closure system (This clasp consists of twenty-five pieces of palladium-plated silver-tone metal), inspired by the double latches with folding bolts found in stables; this geometric detail is the signature feature of this model, inherited from the clutch created by Robert Dumas in 1938. Full Set: Box, dust bag, and branded booklet. Duplicate of the purchase receipt from the Hermès Lyon boutique. In very good condition. Discontinued model. Dimensions: W 21 x D 6 x H 17 cm.
