950 EUR

Period : 20th century

Condition : Bon état

Material : Lacquer

Length : 168 cm

Height : 104 cm

Description

A beautiful four-panel screen made of rare Chinese lacquer with a patinated brown background, depicting a lively scene of figures moving through a lakeside landscape. Early 20th century. The richly composed design depicts numerous figures gathered around pavilions, palaces, and pagodas, some seated aboard junks sailing along waterways. The scene unfolds amidst gardens dotted with vegetation and architectural elements, creating a particularly exuberant composition. Each panel is bordered by an elegant frame punctuated by panels featuring floral and foliage motifs, subtly highlighting the central composition. Height: 104 cm Total length: 168 cm Thickness: 1.8 cm Condition: cracked lacquer, minor chips and signs of wear on the hinges and legs, heavy.
