Description

Large mirror in a First Empire frame, inspired by Egypt, featuring all the bold and rich ornamentation of that period: swan's neck, Egyptian bust, ram's head, lyre, rosettes, palmettes, heart-shaped motifs, etc. Finished in our workshops with a focus on its history, the passage of time has been respected by preserving the patina of its original gilding, which I have enhanced with a wash, itself accented with gold leaf to create a subtle play of light. Edge in a chocolate-gold tone. Contemporary glaze. Can be displayed either way. Reference: Marguerite
