

Neo-renaissance Display Case

4 800 EUR

Period : 19th century

Condition : Très bon état

Length : 125

Height : 235

Depth : 45

Description

Neo-Renaissance display case in blackened wood, bone, and lapis lazuli inlay. Italian work attributed to Ferdinando Pogliani (1832-1899). The glass panes are original and slightly bubbled and wavy. The sides are also made of glass, which lends a sense of depth to this magnificent display cabinet.
