

Set Of 6 English Windsor Chairs

1 850 EUR

Period : 20th century

Condition : Bon état

Material : Oak

Description

Set of 6 English Windsor dining chairs. Originally from England, dating approximately from 1900 to 1920. Made of solid oak. All the chairs are solid and sturdy. We chose not to treat them so that they retain their understated look. If you're looking for glossier Windsor chairs or chairs in a different color, check out the other sets we still have in stock!
