Description

A beautiful bronze sculpture with a brown patina depicting a young dancer of Egyptian inspiration, in the Art Deco style. The figure is depicted standing, leaning slightly against an architectural element adorned with Egyptian-style decoration. She wears a short hairstyle with a headband, a stylized top, and a draped skirt with pleated detailing. An Egyptian-style female head also appears on the side of the pedestal, reinforcing the composition's Orientalist and Egyptomaniac character. The piece rests on a circular, stepped base made of black marble. The base bears a round foundry mark, partially legible: "Bronze Garanti Paris / J.B. Déposée". A decorative work from the 20th century, in the style of Art Deco bronzes and the Egyptomania of the 1920s and 1930s. No clearly legible artist's name has been
