Description

Living Room by Carl Malmsten - Swedish Grace style
A rare and elegant living room set consisting of a sofa and two armchairs, attributed to the renowned Swedish designer Carl Malmsten (1888-1972), a leading figure in 20th-century Nordic design. This set perfectly exemplifies the Swedish Grace aesthetic, an iconic movement of the 1920s that combines classical refinement, harmonious proportions, and Scandinavian simplicity. The sofa and armchairs feature a finely crafted wooden frame resting on slightly curved legs. The sweeping lines of the armrests and backrest create an elegant and balanced silhouette. The base of the piece is adorned with a subtle inlay design that highlights the quality of the cabinetmaking and the attention to detail. circa 1920 Sweden
