

Space-age Pendant Lamp Made Of Thick, Smoky Gray-green Glass, In The Style Of Fontana Arte, Circa 1970s

890 EUR

Period : 20th century

Condition : Bon état

Material : Glass

Diameter : 35

Height : 28

Description

A 1970s pendant light consisting of several thick glass elements in green-gray and smoked tints, arranged around a central chrome-plated metal frame. The glass panels, with rounded and curved shapes, are arranged on two levels and held in place by metal spacers. Interior lighting with 3 light points. Suspended by a chain and a metal hook cover. Italian work in the style of Fontana Arte productions from this period, with no known attribution or signature. Listed dimensions: W 35 × H 28 cm; total height with chain approximately 57 cm. Listed weight: approximately 5.14 kg. Good condition; signs of oxidation and wear on certain metal parts are visible in the photographs.
