19th-century Miniature Silver Enamel Sled

11 000 EUR

Period : 19th century

Condition : Très bon état

Material : Sterling silver

Description

A decorative miniature sleigh, crafted from worked silver and polychrome enamel, resting on a fabric-covered base. The sleigh, richly openworked, is adorned with floral motifs in multicolored enamel, cabochons, and finely chiseled decoration. It is pulled by two silver horses, driven by a coachman depicted at the front, forming a particularly detailed and refined composition. The piece evokes the historicist taste for precious objects and ceremonial miniatures, particularly in the tradition of Viennese silversmiths from the second half of the 19th century. Period: 19th century, probably circa 1880-1900 Origin: probably Viennese / Austro-Hungarian Materials: silver, polychrome enamels, set decorative elements Dimensions: Width: 36 cm × Depth: 1.9 cm Style: historicist,
