

## Gunbai Uchiwa, War Fan, Samurai, Sengoku, Daimyo, Sun, Moon

6 000 EUR

Period : 16th century

Condition : Etat d'usage

Material : Painted wood

Length : 48 cm

Width : 27 cm

Diameter : des disques d'argent et or 15 cm

Depth : 2.2 cm

### Description

A very beautiful command fan made of wood lacquered in red, gold, and silver to represent the sun and the moon. There are cracks in the lacquer and some missing pieces on the handle and the rim, which is normal for an object from the Momoyama and early Edo periods. The red lacquer has a very beautiful patina. At the bottom of the handle is a silver hatome shaped like an inome.
