Description

18K Gold Drop Earrings with Australian Pearls and Red Coral. Elegant graduated drop earrings combining lustrous white Australian pearls with natural red Mediterranean coral. Each earring features a perfectly round white Australian pearl measuring approximately 8 mm, connected to a Sardinian red coral pearl of approximately 9 mm and finished with a second white Australian pearl measuring approximately 10 mm. The pearls hang freely from an 18K white gold mount fitted with a butterfly clasp. The Australian pearls are cultured pearls, 100% natural, with no dyes or enhancement treatments. They have a round shape and display beautiful luminous reflections. The red coral pearls are natural and have not been treated or dyed. The clasps and connecting chains are made of 18K white gold and bear the 750
