Description

Earthenware egg cup signed by the Manufacture Creil Montereau B&Cie, "Rousseau*" model with Japanese-style decoration featuring a dragonfly, a small insect, and a leaf, dating from the 19th century. This egg cup is in good condition. Signed on the bottom.* This is the famous Rousseau model created in 1866 by the merchant and publisher François-Eugène Rousseau and designed/engraved by the artist Félix Bracquemond. The design is inspired by Japanese art and naturalism (birds, fish, and insects such as the dragonfly shown here), and the blue-accented edges are particularly distinctive. Please note: slight signs of wear from age; see photos. Diameter: 4.6 cm Height: 4.5 cm Reference: 500 1011 All photos are available at: www.antiques-delaval.com
