Description

Oil on paper, with "Hayman" written on the back of the sheet. Is this the name of the artist or a former owner of the work? This work depicts a market--either Spanish or South American. (Still a mystery.) One thing is certain: the painting is of fine quality, and the artist uses broad, lively, and confident brushstrokes. Beautiful composition and harmonious tones. The oil painting alone measures, at a glance, 44.5 cm x 30 cm. With its painted wooden frame, 64.5 cm x 51.5 cm
