Description

Curved Louis XV-style Lady's Chest of Drawers with Marquetry - Marble Top Elegant curved Louis XV-style chest of drawers, featuring rich geometric marquetry made from various types of wood.The ornate front opens to reveal two wide drawers, adorned with a particularly decorative marquetry design featuring cubes in perspective.The sides feature this same marquetry work, emphasizing the piece's beautiful curved shape.It is embellished with extensive gilded bronze hardware: pull handles, lock plates, corner finials, feet, and a central ornament on the lower rail.The chest of drawers is topped with a beautiful polychrome breccia marble top, molded and scalloped, in shades of cream, pink, and ochre, perfectly following the curves of the body.It rests on four arched legs finished with
