Description

Louis XV-style chest of drawers / weekly chest - Marquetry - Marble top
Elegant Louis XV-style chest of drawers or weekly organizer, with a narrow, slender shape, featuring seven stacked drawers on the front. The piece features beautiful marquetry, with the drawer fronts arranged in a herringbone pattern and accented with narrow bands. The front stiles are fluted, and the piece rests on four slender legs, with the front legs ending in bronze feet. Each drawer is adorned with a bronze lock plate, lending a beautiful sense of uniformity to the front. The piece is topped with a marble top in shades of beige, pink, and ochre, with slightly rounded corners and a molded edge. A particularly decorative piece thanks to its tall, narrow proportions, ideal for a bedroom, an entryway, or between two
